

## ***YOUR LEGACY IS OUR LEGACY***

### **The 1<sup>st</sup> Hussars Cavalry Fund Legacy Program**

Please consider a gift, small or large that will support the 1<sup>st</sup> Hussars Cavalry Fund today, and for generations to come.

You can have a lasting impact by remembering the 1<sup>st</sup> Hussars Cavalry Fund in your Will by establishing a charitable gift, an annuity or by transferring property.

### **Your gift will make a difference through our many projects, including our “Back to the Beach” program.**

Through this program, each current serving and deserving 1<sup>st</sup> Hussar recipient of this honour participates in annual D-Day ceremonies across the Normandy region of France, including those held at Juno Beach. There is no government funding available for commemorative endeavours such as this one. We rely solely on the generosity of your support to bring our soldiers on this yearly pilgrimage.

Please consider including the 1<sup>st</sup> Hussars Cavalry Fund as part of your estate planning by submitting this form, and contributing to the historical legacy of the 1<sup>st</sup> Hussars Regiment.
